LARRY TANENBAUM

LAWRENCE M. (LARRY) TANENBAUM, O.C.

CHAIRMAN OF THE BOARD,
MAPLE LEAF SPORTS & ENTERTAINMENT
CHAIRMAN, NBA BOARD OF GOVERNORS

Larry Tanenbaum was appointed Chairman of Maple Leaf Sports & Entertainment in July, 2003. He also serves as Chairman of the NBA Board of Governors, representing the Toronto Raptors as well as a Governor of the NHL for the Toronto Maple Leafs and of Major League Soccer for Toronto FC. In May, 2015, the Kilmer Group, led by Mr. Tanenbaum, and Bell Canada announced the purchase of the Toronto Argonauts. MLSE acquired the team in January, 2018. He is a member of the Board and Executive Committee of the Hockey Hall of Fame in Toronto, Ontario, and is Co-Chair – Toronto 2026 FIFA World Cup.

Mr. Tanenbaum was the primary force in bringing an NBA franchise to Toronto. In the early 1990's, Mr. Tanenbaum attempted to move established NBA clubs to Toronto and then, as head of the Palestra Group, he initiated the expansion process that introduced the NBA to Canada. Although he was not awarded the initial expansion franchise, Mr. Tanenbaum established himself in NBA circles and the city as a legitimate contender for an NBA team.

In 1996, Mr. Tanenbaum acquired an interest in the Toronto Maple Leafs of the National Hockey League and Maple Leaf Gardens, Limited (now Maple Leaf Sports & Entertainment). With MLG's purchase of the Raptors and Air Canada Centre in February 1998, Tanenbaum fulfilled his goal of NBA and NHL ownership in Toronto under the same group.

Mr. Tanenbaum is Chairman and Chief Executive Officer of Kilmer Van Nostrand Co. Limited (Kilmer). Under his direction, Kilmer developed into a multi-faceted civil engineering and construction company whose operating divisions covered road building and paving, ready-mix concrete, aggregates, heavy construction, trucking and pipe manufacturing. By the early 1980's, Kilmer's road building, paving and aggregates operations were largely conducted through Kilmer's wholly owned subsidiary, The Warren Paving & Materials Group Limited. Mr. Tanenbaum served as Chairman of Warren, which, until its merger with Lafarge North America, was Canada's largest national asphalt paving and aggregate company. In December 2000 Warren was merged into Lafarge North America Inc., North America's largest diversified construction materials company and supplier of cement, aggregates and concrete, and other materials for residential, commercial, institutional and public works construction in the United States and Canada. As a result of this merger, Kilmer became a significant shareholder in Lafarge, and Mr. Tanenbaum served on the Board and chaired its Finance Committee until the 2006 buyout by its parent company, Lafarge SA of France.

Today, Kilmer's roots in construction are expressed through innovative real estate development and leading edge public private partnerships (P3) through its subsidiary, Kilmer Developments (KDI). KDI is currently managing two P3's: the Quickload Container Examination Facility in Prince Rupert, B.C.; and in partnership with Dream, KDI designed, financed and constructed the 2015 Pan Am Games Athletes' Village, which has been converted into condominiums as part of the Canary District Project. Other developments completed by KDI have included the 20 Ontario Highway Service Centre locations under the ONroute banner in partnership with HMS Host and Canadian Tire and the passenger terminal operations at Billy Bishop Airport.

LARRY TANENBAUM

Kilmer also manages the Kilmer Brownfield Equity Fund which reclaims contaminated land in the urban context, through sophisticated risk management and optimizing for highest and best use.

Kilmer has a long history of private equity investment, beginning in 1975 as a significant shareholder of CUC Broadcasting, where Mr. Tanenbaum served on the Board of Directors and the Executive Committee of the company. At the time of its sale in 1994 CUC was Canada's fifth largest cable company with operations that included paging, publishing, satellite, and radio broadcasting.

Most recently, Kilmer, in partnership with Heartland Coca Cola Bottling out of Kansas, acquired the Coca-Cola bottling and distribution operations for all of Canada. The new operation, Coca-Cola Canada Bottling Limited, is owned by Tanbridge Partners LP, of which Mr. Tanenbaum is Co-Chairman.

Kilmer's other current private equity investments include Chaleur Sawmills Limited Partnership, Fornebu Lumber Company Inc. and Cypress Five Star Inc., the Canadian franchisee of Five Guys Burgers and Blaze Pizza.

In addition to its direct investing activities, in 2000 Kilmer founded Kilmer Capital Partners Limited, a private equity investment fund manager, which established two funds to provide equity capital to small and mid-market companies. Kilmer Capital's investments have included Give and Go Prepared Foods Corp., McGregor Industries Inc., Unisync Corp. Inc., Vansco Electronics Ltd., Atelka Enterprises Inc., Altasciences Inc., Compact Power Inc. and Tribal Sportswear.

Mr. Tanenbaum served as National Revenue Chair of the Liberal Party of Canada during Prime Minister Paul Martin's term of office. He currently serves as a member of the Ontario Investment and Trade Advisory Council, the Advisory Council, Toronto Board of Trade and recently served as a member of the Toronto Prosperity Initiative. He has also served on the Independent Fiscal Review Panel of the City of Toronto and the Mayor's Economic Competitiveness Advisory Committee of the City of Toronto.

Mr. Tanenbaum's involvement in Community Associations includes the following: Vice Chair of Sinai Health Services – a tertiary care centre comprising Mount Sinai Hospital, Bridgepoint Hospital and Circle of Care, Chairman of the Research Board for the Lunenfeld-Tanenbaum Research Institute; Vice-Chair, Brain Canada; Member, University Council, Cornell University; Honourary Board Member, Baycrest Centre for Geriatric Care; Member of the Advisory Board, Montreal Neurological Institute; Co-Founder and Board Member, Tanenbaum Open Science Institute at MNI; Member, Dean's Advisory Council, Schulich School of Business, York University; Founding Board Member, Executive Committee Member and Member of the Global Leadership Council of Right to Play; Founding Member, Centre for Israel and Jewish Affairs; and Co-Chair, Tomorrow Campaign (UJA).

In recognition of his contributions in the areas of business, philanthropy, and volunteerism, Mr. Tanenbaum was appointed an Officer of the Order of Canada on October 25, 2007. The Order of Canada is the centrepiece of Canada's honors system and represents its highest civilian award.

In June, 2012 Mr. Tanenbaum was awarded an honorary degree of Doctor of Laws by the University of Toronto. He was inducted into the Ontario Road Builders' Hall of Fame in February 2013 and received the Toronto Board of Trade's 2015 Region Builders Award. In September 2020 Mr. Tanenbaum was the recipient of the Sports Business Journal's Lifetime Achievement Award.

Mr. Tanenbaum has a Bachelor of Science degree in Economics from Cornell University (1968).

MICHAEL FRIISDAHL

Early in his tenure as MLSE CEO, Friisdahl oversaw a strategic review of the company which led to the implementation of VISION 2020, a long-term corporate strategy designed to best position MLSE for success within an evolving sports and entertainment industry, foster company growth and to generate new revenue streams. VISION 2020 is an all-encompassing road map to fully engage all of the organization's stakeholders, including employees, corporate and community partners and fans in the pursuit of winning and community building.

Friisdahl previously served as President and Chief Executive Officer of Air Canada's Leisure Group since it was formed in 2012, combining Air Canada Vacations tour operations with Air Canada rouge, the company's successful leisure airline. With Friisdahl at the helm, Air Canada rouge saw significant growth and has been an important contributor to Air Canada's very successful transformation.

After the launch of Air Canada rouge with four aircraft serving 13 destinations, Friisdahl grew the airline to include a total of 34 planes and offered competitively priced travel to more than 75 routes in Europe, Mexico, the U.S., the Caribbean, Asia, South America and Canada.

Air Canada rouge, through a partnership with the Disney Institute, built a unique culture focused on customer engagement, along with applying next-generation communications technology to create an engaging and customer friendly experience. Air Canada rouge was one of the first airlines in North America to offer streaming inflight entertainment to its customers' own devices.

Friisdahl brings an extensive background in customer service, marketing and sales management, finance, mergers and acquisitions, and business integration to his role at MLSE. Prior to joining the Air Canada executive team, Friisdahl was CEO of Thomas Cook North America and a member of the international Group Executive Board of Thomas Cook Group plc. As a partner and President and CEO of The Holiday Network, he continued to grow the business until its acquisition by Thomas Cook Group plc (formerly MyTravel plc), which led to his move into the corporate and international spheres.
